

## **Seller Registration Information – Anything Fiber Sale 2019 – June 1st, 9:30am – 1pm**

The **Anything Fiber Sale** is a yard sale for fiber people. We all have hanks and cones of unused yarns, piles of unloved fabric, obscure tools that we forgot we had, looms that need a new home, duplicates of knitting needles, fleece that doesn't seem to get spun, right? So, come to buy... or really clean out that closet and rent a space to sell your surplus fibers, materials and tools, and bring home some new stash or a little cash!

### **Back at Warren Wilson!**

We are returning to Warren Wilson College, in their DeVries Gymnasium. Warren Wilson has a beautiful campus and is well known for their community service and farm programs. It is located in Swannanoa, just 10 minutes to the east of Asheville, with good signage on I-40 and Highway 70 and easily found by the public. The gym also has a large, level parking lot at the entrance so buyers will have no problems carrying their new-bought treasures back to the car.

### **Staying with the Earlier Date!**

We are keeping the June date to avoid the heat. June 1st is just after Warren Wilson lets out but before the summer really gets going. It will still be hot in the gym with no AC, so come prepared.

### **Local Cloth!**

Nice Threads Fiber Studio/Leslie Owens has spent many years developing a successful event. This community is thankful for the hard work that has been put into this event, one which everyone looks forward to each year. Local Cloth has been helping sponsor the Anything Fiber Sale for a few years, and for the 2nd year, Local Cloth will be handling all registration, communication, and procedures for the actual event. It's still the same sale, and will run much the same as past years. Melanie Wilder, Local Cloth Board member will be handling all questions, registration and coordinating logistics for the event. She Supervises the Fiber Arts program at Warren Wilson College, therefore is able to help with coordinating the event at this location easily. Please feel free to reach out with any questions!

### **Seller Information:**

The seller space size is 10' x 10'. We will have plenty of 6ft tables to rent as an option. Our selling space fee is \$30 per space, with tables for rent for an additional \$10. See the sellers guidelines below for more information. REGISTRATION OPEN APRIL 1, 2019

---

### **Guidelines for Sellers**

Admission is free for buyers. But if you are renting a selling space, then please abide by these guidelines.

- You must rent a selling space to participate as a Seller. The spaces are \$30. Renting only a table will not get you a space in the Sale.
- Two or more people can share a space. Just make one reservation per group if you are sharing.
- You can bring your own table or you can rent one or more 6' tables from us for the event. Rented tables will be set up in your space when you arrive. **The deadline for renting tables is May 24th.** After that date, you will have to bring your own.
- In past years, we have filled the gym to capacity with Sellers and had to go to a waiting list in the last weeks. Therefore, please register early!

- **Only online registration will be accepted. You must pay by credit/ debit card when you register, we ensure that all online registration is completely secure. The waitlist will automatically notify the next person in line once someone cancels, and you will have a couple days to accept your spot before the next in line is notified.**
- Tables, looms and wheels must fit into your 10' x 10' space. We need to keep the walkways clear and free from equipment and displays.
- You asked and we listened. We are moving the times up a little this year.
- Load-in will be from 6:30 am until 9:00 am. Please do not try to load-in after 9am. You will have until 9:30 am before the lines will be unleashed.
- If you volunteer to help with setting up the Sale floor on Friday afternoon (3pm – 6pm) you will have the opportunity to load-in early. We will also need help putting up directional signs and take down and clean up after the sale. There will be more info on volunteer opportunities in communications closer to the event date.
- Yard sale-type and previously owned goods only! Please, no finished goods unless they are appropriate to use in other fiber techniques (i.e., hand-spun yarns, dyed yardage). We find that people just aren't there for your handmade items, therefore you might be disappointed. Please, no resellers, unless you are willing to sell at Yard Sale prices.
- **Cancellation deadline with refund is May 24th. No refunds after that date.**
- You are expected to remove all your sale goods by the end of the day. Please do not leave items that don't sell.

You will receive more information in your confirmation email and just before the event. If you have any questions about these guidelines or the event in the meantime, please email [anythingfibersale@localcloth.org](mailto:anythingfibersale@localcloth.org)
